Job title:	Housing Partner
Reports to:	Area Housing Manager
Responsible for:	No direct line management responsibility

Role Overview

We make moments that matter by truly caring about our customers and ensuring they are at the heart of everything we do.

Like us, you are committed to exceptional customer service, and working hard to ensure our customers feel valued, heard, and supported. We deliver affordable homes and build better futures by actively listening to the needs and aspirations of our customers. We work to create communities where people feel safe, secure, and empowered. By fostering open communication, offering tailored services, and continually striving for excellence, we all aim to build lasting relationships that go beyond housing – enhancing lives and contributing to thriving, vibrant communities where everyone can feel good to be home.

As a Housing Partner, you will serve as the first point of contact for customers and play a pivotal role in delivering a "best in class" customer experience. Your key responsibility is managing tenancies and estates, ensuring smooth operations in areas like rent collection, handling anti-social behaviour (ASB), and maintaining customer satisfaction. You'll be expected to manage elements of lettings, tenancy changes, void turnaround, and respond to tenancy breaches while working closely with relevant partners to ensure safety and compliance with regulations. Your visible engagement with customers will help foster a sense of pride in the services and homes Accent Group provides.

Core Values Alignment

We live and breathe our values. We are Smart, Driven, Caring, and Inclusive. Our colleague and leader competency framework underpins this and helps provide focus and clarity around the behaviours and attributes that are expected at Accent. Our focus on value for money ensures that we continue to spend wisely, work productively and make the best use of our resources. This is all about how we do things: it's what we expect everyone to embrace and work towards in their roles.

In your role as a Housing Partner, you'll embody these values by ensuring each customer interaction reflects a caring and inclusive approach. Your adaptability and proactive mindset will help deliver a service that is responsive to individual needs. Collaboration is key in this role as you will be expected to work closely with various teams to solve problems and enhance the living conditions of our residents. Additionally, you'll be empowered to challenge existing procedures to drive continuous improvement, making Accent smarter in its operations and enhancing the overall customer experience.

Your focus on safety, communication, and relationship-building will ensure that Accent remains an inclusive and supportive community where all residents feel they are heard and respected.
