You may be aware the Regulator of Social Housing has introduced a new way to check that social housing landlords are providing their customers with good quality homes and services. The results from this survey will be used to calculate the new Tenant Satisfaction Measures which Accent Group will publish to the regulator annually.

To make best use of the feedback you provide, we will link your responses with the information we already hold about you and your home. This will help us to better understand the priorities and preferences for different groups of customers. For more information about how we use your information, please see our privacy policy which can be accessed via our website: www.accentgroup.org/how-we-use-your-information/ or by calling us on: 0345 678 0555.
