

# TERMS OF REFERENCE

## **BACKGROUND**

Accent 1000 is a collective of Accent residents who we would like to consult with on a regular basis to better understand residents' preferences and priorities, and to find out what you think about the services we provide.

Our aim is to engage with up to 1000 residents whose backgrounds will reflect the wide variety of our residents, and who are spread across the five regions in which Accent delivers services.

Being part of the Accent 1000 is a great opportunity for you to put across your views, share your ideas and help us to shape the services that Accent residents receive

You do not need to have any experience in 'resident engagement' to join the Accent 1000, nor do you have to take part in every survey or consultation – you give as much of your time as you choose and take part in the surveys and consultations which are of particular interest to you.
